Closely-Knit Unit Out of Sprawl Jubilee Headache

Royal Jubilee Hospital's new $2,500,000 wing was planned first and foremost for the patients, administrator George Masters told the Victoria Gyro Club yesterday.

In planning, he said, one of the biggest headaches was the problem of making one smoothly functioning unit of the sprawling collection of buildings built over the years.

"We are very pleased with the results," Mr. Masters told Gyros at a luncheon in the Empress Hotel.

He said the plan includes a centrally-located "nerve-centre" for administration. This was located in one of the present buildings for several reasons.

GEORGE MASTERS
. . . not lavish

BUILT IN HURRY

"We didn't want to feel we were spending the public's money on lavish administration area," he said. "Most central location was in a block built in a hurry in 1941.

"We decided to abandon the sub-modern beds in this space and turn it into an administrative area. This enabled us to put 190 modern beds into the new wing."

MODERN BEDS

The result is more modern beds and a fairly good administration area, the administrator said.

A campaign is in progress to raise $410,000 by public subscription before April 30. If this drive is successful, more than $2,000,000 in grants will be contributed by federal, provincial and municipal governments.

RANDOLPH CHURCHILL
. . . stayed inside

★ ★ ★

Russians Ridicule Randolph

MOSCOW (UPI) — A Russian mass-circulation magazine said yesterday British journalist Randolph Churchill covered Prime Minister Macmillan's Moscow trip without leaving his hotel room.

"Aside from his room at the Hotel National, he saw nothing," the magazine Ogonyok (Little Flame) said in an angry article about Sir Winston Churchill's son.

It said Churchill's dispatches on the Macmillan 10-day stay showed "an astonishing mixture of ignorance, levity, snobbishness and an angry desire to prevent a softening of tension between England and the Soviet Union."

Beside the article was a photograph showing Churchill sitting at a table with a bottle of vodka on it. The photograph was captioned: "Churchill and his sources of information."

Wives Want Coast Guard

VANCOUVER (CP)—Wives of B.C. fishermen will start a "major campaign" this year to establish a coast guard service with ships and helicopters to safeguard lives on the Pacific coast.

Plans for the campaign were approved Sunday by the women's auxiliary to the United Fishermen's and Allied Workers' Union (Ind.) in a convention.

The resolution urges the federal government to supply four fast, all-weather, 125-foot vessels and five helicopters for a B.C. coast guard. The boats would maintain constant patrol in strategic waters with emphasis on the western and northern areas off Vancouver Island.

Delegates said they will carry their campaign to other organizations, conduct an educational program and create petitions.

$1,800 Vanishes In City Robbery

Thieves who broke into the office of Island Farms Dairy, 2220 Blanshard, during the weekend got away with an estimated $1,800, company officials told city police yesterday.

A night operator discovered the robbery when he arrived at the plant at 11.25 p.m. Sunday.

Police found entry had been gained by breaking a window in a door on the loading platform and said the safe, in an upstairs office, had been pried open. Loot included a number of family allowance cheques and a quantity of silver.

An earlier unsuccessful and, in the opinion of police, "amateurish" attempt was made to rob Northwestern Creamery Ltd., 1015 Yates.

Some time between 11 p.m. Saturday and 7.30 a.m. Sunday, thieves entered by a second-floor window, which they jimmied open. Inside, a safe had been struck several blows, apparently with an axe, but had not yielded.

A stockroom door was also forced, but nothing was taken.

Negro Home Fired By 'Molotov' Bomb

WILMINGTON, Del. (AP)—A homemade Molotox cocktail—gasoline in a bottle—was hurled Saturday night at the home of the first Negro family to move into the suburban development of Collins Park.

No one was home and neighbors put out the fire before it could do any harm.

When Mr. and Mrs. George Rayfield moved in recently crowds demonstrated and state police were sent to put an end to the disturbances. A couple of weeks ago a cross was set ablaze near the Rayfield house.

Court Parade

Worthless Cheque Admitted

Hugh H. Lightbown, no fixed address, was remanded to Thursday for probation report and sentence after pleading guilty in city police court yesterday to obtaining goods worth $42.24 by a worthless cheque at the T. Eaton Co. store.

The remand came after Magistrate William Ostler was advised by prosecutor T. P. O'Grady that other charges were pending.

★ ★ ★

In the same court, James A. Bryce, 1272 Pembroke, was fined $250 and prohibited from driving for a year when he pleaded guilty to driving while impaired. Court was told his car was involved in an accident Sunday on Esquimalt Road near Illahie.

★ ★ ★

Leopold P. Latraverse, 833 Admirals, was fined $25 in Esquimalt police court yesterday on a charge of prowling by night.

★ ★ ★

William Rosmus, 19, of Colwood, pleaded guilty in Esquimalt court to being a minor in possession of liquor, and was fined $15.

★ ★ ★

Dugals McMillan, 646 Head, was fined $15 when he admitted operating a fur farm at his home without having obtained a licence. He had 15 chinchillas in his basement.

Haughan Elected Peace Director

VANCOUVER (CP) — Wallace Haughan Friday was elected a director of the Peace River Power Development Company, which plans a multi-million-dollar hydro development.

Mr. Haughan is president of John Laing and Son (Canada) Ltd., chairman of the board of Grosvenor Laing (B.C.) Ltd. and chairman of Laing Equipment Ltd.

In announcing the appointment, W. C. Mainwaring, Peace River president, said Mr. Haughan will represent John Laing and Son (Holdings) Ltd. and Taylor Woodrow (Overseas) Ltd. of London. Both companies hold 250,000 shares each in Peace River Power.
